

Why is there a need for the Firefly GoToShop and Caroline's Cart?

firefly GoToShop

Soft cushioned material / Adjustable 5-point harness /
Open front design / Adjustable head rest / Adjustable laterals

Caroline's Cart

Plastic seat / 5-point harness / Open front design
No headrest / No laterals

We are often asked why supermarkets would need a GoTo Shop when they already offer a Caroline's Cart. Due to the differing features of the carts, we believe every supermarket should offer both.

The Caroline's Cart for older children and adults with special needs and the GoTo Shop offering extra head and upper body support needed by younger children with special needs.
